

SECONDARY MISSION – ATTACKER MARKED FOR DEATH

These specific enemy assets must be eliminated to ensure victory, no matter how insignificant they might seem.

When Drawn: Your opponent must select three units from their army on the battlefield. If there are only one or two units from their army on the battlefield, they must select those units. If there are no units from their army on the battlefield, discard this card and draw a new Secondary Mission card.

ANY BATTLE ROUND

VICTORY POINTS

WHEN: End of either player's turn.

One or more of the selected units were destroyed (or removed from the battlefield for any other reason) this turn.
